

MEET THE EXPERTS: MOBILE VOTING

Ollie Olwage

Latest Changes: Voter Side

- Forgot Password using Mailed OTP.
- Voter Login process verification via OTP
- Election opening and closing time now sensitive to the minute

Latest Changes: Admin Side

- Forgot Password using Mailed OTP.
- Resetting Votes to be accessed via OTP and/or restricted to specific user.
- Variable number of users required per final approval process (0 to 4)
- Number of votes per voter Default on Election level, override on Portfolio level
- Various Terms and Conditions available per Election
- Definable sort order on Candidate display sequence

Work In Progress

- De-activation of User profile. Stop user from logging in.
- Enlarge fields for Name and Surname of Candidates and Voters (A200)
- Enlarge field for Election Terms and Conditions (A4000)
- Streamlining the linking of Candidates to Election/ Portfolio combinations.

Change Password

The image displays a three-step password reset process:

- Forgot Password:** A dialog box with a title bar 'Forgot Password' and a 'Cancel' button. It contains an input field labeled 'E-Mail / Username' and a 'Request Password Reset' button.
- Confirmation:** A message box with the heading 'You have requested a Password Reset'. The text reads: 'Please use the following to reset your password: V0CXDJ' and 'Alternatively, Please Ignore this EMail'.
- Reset Password:** A dialog box with a title bar 'Reset Password' and a 'Cancel' button. It contains four input fields: 'E-Mail / Username', 'Onetime Pin', 'New Password', and 'Repeat Password'. A 'Change Password' button is located at the bottom.
